

PRAYER FOCUS AUGUST

Healing Exploits in Evangelism

The Tent 100 teams, the McNultys & You

are going into a new region to share with thousands of waiting people. The Armavir region of Western Armenia borders with Turkey and is surrounded by close to 300 million Muslims of Iran, Azerbaijan, and Turkmenistan. Tent teams from Belorussia, Estonia and Bulgaria have just returned from performing in the streets of Turkey, distributing literature and winning dozens to Christ. The few pastors in Turkey have said they never dared to do more than pass out an occasional tract, but our teams have seen the Turks confess Jesus in the public square! We are expecting to bring forth more teams that will commit to these Arabic regions! They will go where we cannot reach. They just need an example, a message and those who believe in them. Right now we can once again bring a demonstration of Gods Healing Power to the Caucasus! Stand with us! Go with us this Month through your giving! Pray with us as once again we reach out to the ends of the earth!

Connecting People with the Living God and Success in Life

Drs. Leslie &
Kevin McNulty

Current global statistics show that 2 out of every 3 people on the earth do not consider Jesus Christ as their Lord and Savior. Some see this as a problem, but we see this as an opportunity! Together we can penetrate the borders and the hearts of those hidden in darkness. God confirms His message with signs following as we go, and together we continue to be a force for Good, for God, and for His Glory.

Hundreds, like the blind lady pictured above who suffered from the last stages of diabetes and now can see, have a second chance at life and health because You and Us keep our focus and funds going into the world!

Keeping your eye on the world helps open the blind eyes around the globe.
