

Breakthrough in Bulgaria

Pastor Nicolai said, "We were waiting for this moment! It was a revelation and a revolution. Hundreds of lives are now changed!"

Miracle Life Mass Outreach, Bulgaria

Kevin and Leslie with Sofi

STEPS FOR LAUNCHING A TENT MINISTER

God saw a window in the soul of Sophia, Bulgaria, and reached into the heart of a young woman, Sofi from Bulgaria! During the Miracle Life Mass Outreach of 2002, Sofi received a call to carry the Good News to the masses. Some 13 years later Sofi, an accomplished tent minister and mission leader, trains women who are preaching to the Muslims on the border of Turkey (bottom, middle)! One seed has the power to bring amazing change! In 2009, Kevin trained Sofi and her tent team in the Asenovgrad valley near Greece (tent pictures, far right). Sofi is known as a “go getter” among the evangelists and doesn’t miss a training or conference! She inspires all the evangelists as someone who gets the job done!

EMPOWERING WOMEN WITH BOOKS

A free gift of the *Live Your Dream* workbook opens up new dreams, and the *Pathway to Healing* book simplifies the topic of healing for many. Women who thought they had no voice are empowered to take a message of hope and healing to their nation!

Sofi is supported this year by the women of Russia, America, and Belarus to raise up a new generation. Evangelists, businesswomen, preachers and musicians, all of these women sacrifice time away from families, businesses and ministries. Each one has a song or a word for the women of Bulgaria. Their example and passion ignite a dream for a better tomorrow!

WOMEN ON THE RISE!

A BOLD WITNESS ▲

People gather around to hear this bold woman preacher at the Turkish Border.

During a recent altar call many students respond as Kevin imparts soul-winning principles.

What some women are saying:

Lidia: "The Lord revealed to me that I am a daughter of God. I discovered that I have the right to dream and to complete my dreams, to draw my idea."

Neli: "You can be on the 'Go' by helping us mobilize. I go to church for 23 years and I see that it becomes more and more family-centered. A man, a woman, children, grandchildren, career, job, etc. The one and greatest commandment 'Go,' has been seriously ignored. Leslie showed, exposed and broke that idea in me forever. I received not only encouragement, but strength to work on my dreams."

Sofi's Example

Sofi is a good example of a woman taking leadership in evangelism. She has been trained to carry on in the greatest need to keep the message and miracles of Jesus alive in Bulgaria. Despite difficult obstacles in her family and finances, she has never given up!

We pray for more women tent ministers who can rise up to the challenge and lead a team to places, towns and villages where others never go.

The Healing Christ

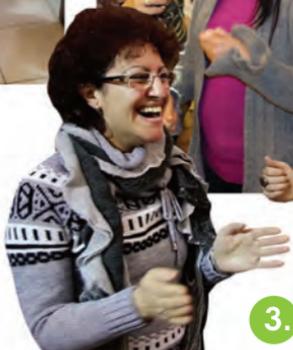

In Christ's life, we see His total victory over death. In His death on the cross, we see the price His suffering paid for our sin and sickness. He did not suffer for Himself. He suffered for us. His body was not beaten for Himself. He did it for us. We do Him honor expecting that His sacrifice was enough and by resisting the symptoms that He paid a price for.

1-2. Silvia, a pastor, said, "I fell down the stairs and my foot was put in a cast for 10 days. When removed it looked like Big Foot, hurting and swollen. I have been expecting total healing but only tonight, after prayer, are my feet the same and I can wear a skirt again! Just in time for my daughter's wedding."

3. This excited believer enthusiastically declares, "Since age 13 I had a frozen spine and shoulders. Now I move freely after prayer."

The Assembly of God pastor said, "My leg was 3 times the size of a normal leg. I suffered for almost 40 years with pain and swelling! My leg is normal." (not pictured)

Elena said, "No one could fix my lockjaw – now it's normal!" (not pictured)

Opportunity for Christ **in the Crisis.**

In Bulgaria, approximately one half million people are without jobs, without a direction, without a country!

Imagine if tomorrow 400,000 Syrian refugees suddenly appeared in your community! We can give the hopeless the promise of a new tomorrow. God believes in them. He never quits on a human being created in His image. Sofi and her teams are ministering across Bulgaria with a word of hope and healing! You are helping us to train, equip and empower these evangelists! Thank you for your partnership!
