THANKSGIVING from the Nations...

Harvest Awakening in America!

How do we look at our future? What do we see?

Seedtime and Harvest! Our partners' seeds sown into the nations of the earth cry out to heaven! In the midst of political strife, we see a generation calling out for answers. This Thanksgiving let us celebrate that God has never forsaken His people who love him!

At Christian Adventures we are proud to announce a new project for America - marketplace tent ministry. With this new project comes the association of several international ministries, 21st Harvest missionary evangelists, Johannes and Milla Kudrin, Bishop Soni and Astrid Mukwenze Restoration International Embassy; as well as business entrepreneurs. Our US team includes Russians, Ukrainians, Estonians, French Africans, Americans and Asian Indians.

Today, they join with us in celebrating our heritage and remind us that our seeds sown into the nations are calling for the seed of the Gospel to return to this nation. So partners, let us open our hearts and our minds and receive our harvest in America! For the Scripture says, ask for the nations for our inheritance.

Thank you for the seeds you have sown and the seeds you continue to expectantly sow into European, Asian and American Christian Adventures!
