

EAST - MEETS - WEST

ENERGIZE ♦ STRATEGIZE ♦ MOBILIZE

One million soul winners will be trained and dozens of tents will cross Europe with the Gospel!

From East to West...

We are geographically covering the Eurasian continent with Good News! The moment a tent was dedicated on the far western shores of Europe, a tent was raised on the island of Sakhalin just north of Japan. From the English Channel to the Sea of Japan the Gospel is being preached.

In 1998, Kevin and I together with the partners of Christian Adventures launched the Tent100 Project in Belarus with just 5 evangelists and one tent. Today, with almost 90 tents, dozens of teams and two tent-making workshops, we stand in Europe embarking with the lions of Europe on another strategic mission for Christ!

Two hundred and fifty thousand villages of Europe await a Gospel witness. You have participated in the launch of a new evangelism thrust into Europe through the iMOVE training and dedication of the Belgium tent and the European Bus Tent Project. With Europe in the news suffering from yet another terrorist attack, we feel confident that we are in the right place at the right time offering hope and healing.

What's on the horizon? We are headed to Norway for the first East meets West Event celebrating a coming together of our Russian speaking and European teams where we will **Energize, Strategize and Mobilize** for greater effectiveness. We will celebrate with Estland Hjelpen their 25th anniversary and the 400th container of humanitarian aid. Our partnership has allowed our team members to place hundreds of these containers through the 100 Tent project.

Teams are coming from across Eurasia including Albania, Estonia, Ukraine, USA, Russia, Spain, France, Belgium, England, Poland, Germany, Bulgaria and more... You can **train an evangelist** for \$200. **Build a tent** for \$6000 or **print 1000 books** for \$1,000.

Thank you for going with us! If every one plants \$1 per day, we will reach a new country EACH month!
