## CHRISTIAN ADVENTURES INTERNATIONAL EVANGELISTIC ASSOCIATION ((CAI) a 501-C3)

**Empowering Dreams in the Global Advance of Good News.  
Reaching One Billion Souls through Mass Media, Mass Outreach and Mass Discipleship.**

*In 1978, Jesus walked into Kevin's dorm room and asked him, "What are you going to do with the rest of your life?" Shocked by his response, Kevin said, "I'm going to gather and collect dead bodies and pump on old hearts." After 65 nations and 33 years together, Kevin and his wife Leslie have been faithful to that commission and have now HEARD THE CALL TO EVANGELIZE THE USA. The Lord has impressed the McNultys that another Jesus Movement is coming to America and it is not like anything America has ever experienced! With approximately 400,000 churches in the USA, the Gospel has not significantly impacted the culture of America! It's time for change! (Please see the video(s) below and on page 2 for more information on the ministry project and history.)*

**Our Purpose:** Create an enduring soul-winning legacy with next generation empowerment of Gospel laborers through on-line, classroom, and boot-camp training. Provide multimedia evangelism broadcast outreach, create training facilities and tent production for TENT NATION USA evangelistic outreaches, reach the 10 million annual visitors to Daytona Beach as well as maintain our Global Outreach efforts. (Scan the QR code at right for a video overview of the building project.)

**Proposed:** Develop a 22,500 SF Outreach & Training Facility for Christian Adventures International situated on A-1-A at 1912 S. Atlantic Ave., Daytona Beach, FL.

**Funding Required: \$1,610,000 —Phase 1 - \$435,000** remaining includes façade repairs, new roof and lowering of parapet walls for improved wind load and drainage to be completed by May 2021. **Phase 2 - \$725,000** development of broadcast facilities to be completed September 2021. **Phase 3 - \$450,000** additional educational classrooms and offices to be completed December 2021.

**Timeline for Disbursements Phase 1:** Currently due \$230,000 for the roof and \$40,000 for concrete work; the final roof payment of \$160,000 will be due upon completion (contract includes all carpentry and a warranty). Roof is now 70% complete. Due to increases in material costs and supply shortages our contract deadlines were pushed ahead. **Invested in current project 2020-2021 to date: \$335,000** - Includes architectural and engineering fees, permits, project manager, sprinkler repairs, partial roofing and concrete restoration fees.

**Our History:** CAI has trained a corps of Eurasian Evangelists while maintaining a rigorous outreach schedule in 65 nations and building a Russian Mission Center. Currently over 120 tents are active from the Sea of Japan to the English Channel. Evangelists trained in our Russian facilities have conducted over 1500 outreaches. Two tent workshops located in Moscow and Estonia have manufactured over 80 tents. As the tent ministry was expanding, Kevin and Leslie were actively involved in citywide mass evangelism events in 25 nations of Asia, Africa, Europe and Latin America with daily meeting attendance of 25,000 to 250,000. Over 10 million souls have been reached, 500,000 believers mobilized, 4 million books distributed and hundreds of churches initiated through their global efforts. (Please see page 2 for more information on the ministry history.)

**Project Management Team:** George Pidgeon, CAI Construction Manager, developed and sold two multi-million-dollar roofing firms; Simon Reynolds, CAI Board of Directors—Treasurer, Pilot and Airport Developer; John Hall of Hall and Ogle Architects. Kevin & Leslie McNulty, Founders CAI.
