World Headquarters

All Things Are Possible!

We are celebrating the start of our World Headquarters' reconstruction!

We are grateful to our wonderful partners for your financial support. We thank both our board member Simon Reynolds and George Pidgeon for their involvement in the architectural planning as well as the contract negotiation process.

The commission to “**rebuild the temple**” given to us by the Lord from Haggai 1 began on December 26, 2019 and has taken place while navigating the waters of a pandemic! It seems counterintuitive to market trends to be completing our facility at this hour. Take it from us, we have been running against the current for many years. When most churches in the former Soviet Union were preparing to go underground, we went big, bright, yellow and white with 100 Tents above ground.

Now we're going above ground in Daytona Beach! From our World Headquarters, we will establish a legacy to the nations founded on Gospel Evangelism. Christian Adventures is the preeminent provider of tent evangelism and mobilization. Our experience gleaned in developing the 100 Tent Project gives us confidence that we will fulfill the Tent Nation USA project while raising the banner of 1,000 tents across the globe.

Thousands will come across the borders of the USA for a better life. **What will they encounter?** The god of Mammon, Technology or Pharmacology? NO! They will discover the GOD of ABRAHAM, who has made this nation great through believers like us.

Daytona Beach is known as the “World’s Most Famous Beach” where everybody goes for enjoyment. **Together, we can make it the “World’s Revival and Evangelism Training Capital!”** We are confident that you, our partner, along with our Great God will make this International Headquarters a reality.

To date, partners have invested \$60,000 with special year end contributions of \$150,000. THANK YOU for making this a reality! Another \$450,000 is required to finish **phase 1** reconstruction of exterior walls and roof along with painting and sealing the building.

In the midst of unprecedented political, social and medical times, we are standing on this scripture, “**God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work**” (2 Cor. 9:8).

We thank you for considering what investment you can make. Kevin and I are confident that 2021 is the year that ALL THINGS ARE POSSIBLE!
