Eurasian Fall Festival

We have received reports from Belarus, Russia, Estonia and other locations. While tensions run high on a global scale, the Gospel reaches higher with a message of hope, healing and restoration!

Since 1991 we have worked all over Eurasia. Our voice has always been one of hope, faith, forgiveness, healing and love. Not knowing how things might progress this year,

we felt it important to invest in our associate ministries, especially in Ukraine and Russia.

Many of you may remember the huge investment you made into the potato harvest of Ukraine. But together, we also invested in potatoes, animals and buildings in Russia. We are very grateful for the foresight of the mission team in the heart of Russia that has planted crops, raised farm animals and prepared a great fall harvest, both physically and spiritually.

From our Eurasian friends, “Thousands of people visited our Festival despite the fact that we are working in remote areas.

Thank you that you keep supporting us. We are moving forward. It is a special time now to continue preaching the Gospel. Each one of us has unique gifts and we all can do it using our gifts.

A fresh harvest of potatoes and plentiful sheep and goats provide food for the team and the local community! We collected 22 sacks of potatoes. Thank you for being a part of this mission!”

Kevin and I also want to thank you for your partnership. We faithfully pray **2Corinthians 9:8** over you, your family, your business and everything you set your hand to!

“And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work.”

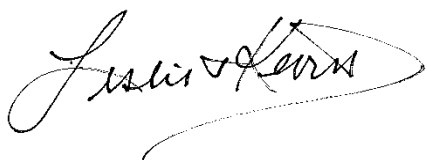

You make it possible for us to work with these global teams. We spend hours with them praying and helping them navigate tumultuous waters.

As we were driving yesterday, Kevin and I were recounting dozens of times where the Lord had intervened in our world during every kind of situation: angels at the border, storms stopped, laws changed and supernatural provision in famine!

OUR GOD IS SO AWESOME THAT ALL WE CAN SAY IS...

"Thine, O LORD, is the greatness, and the power, and the glory, and the victory, and the majesty: Both riches and honour come of thee, and thou reignest over all; and in thine hand is power and might; and in thine hand it is to make great, and to give strength unto all. Now therefore, our God, we thank thee, and praise thy glorious name." (1 Chronicles 19:10,12,13).

Yours Faithfully,
